

# Certificate Course in LASIK 2016

Jointly Organized by

College of Ophthalmologist of Hong Kong,

Hong Kong Association of Private Eye Surgeons and the Chinese University of Hong Kong

## Application to join Wet Lab session

During the Wet Lab session, participants will be given detail instruction and steps by steps guidance on using the Lasik machine. After the instruction, participants will be able to perform Lasik surgery on porcine eyes. A short assessment will be done afterwards and certificate will be issued later for participants who had attended both open lecture sessions, wet lab and pass the assessment.

Wet Lab:                      Date:    27th February 2016  
                                         Time:    8:30 am  
                                         Venue:   HKEH  
                                         Wet lab Instructor: Prof Vishal JHANJI

Course Fee: HKD \$ 6000

Deadline of application: 3rd February 2016

As only a limited number of participants can be accommodated, preference will be given to fellows who had attended both open lecturer sessions first.

Those who are interested please complete the application form and send to the secretary of the College of Ophthalmologist of Hong Kong together with a cheque of HKD 6000 payable to “ The College of Ophthalmologists of Hong Kong”
