

The College of Ophthalmologists of Hong Kong

Part C Examination: May/June 2023 Information for Trainees

1. The applicant of the Part C of the exit examination should:-
 - be a registered trainee of the College;
 - possess a medical qualification acceptable by the Medical Council of Hong Kong;
 - possess a recognised qualification in ophthalmology by examination; and
 - have completed Basic Training and 3 years of Higher Training in College approved training posts.
2. Completed application form, with certification of completion of training by trainer(s)/supervisor(s), fees and required documents must be submitted to the College secretariat on or before **Tuesday, 4th April 2023**.
3. The fees for Part C examination shall be HK\$30,330. The fee for re-sitting one section shall be HK\$18,780.
4. Examination notices shall be distributed to the eligible applicants after the Closing Date notifying the date, time and venue of the examinations.
5. There are four sections in the Part C examination:-
 - **Written:** The written examination shall be conducted approximately one month before oral and clinical examination. The written examination shall consist of one 3-hour paper with four essay-type and/or write-short-notes type of questions.
 - **Critical appraisal** on scientific publications/articles: The Examination Subcommittee shall select three (3) articles and candidates will be given one to prepare for an hour before the viva.
 - **Communication:** Assessment on the candidates' communication skills and the ability to obtain informed consent.
 - **Clinical:** The clinical examination shall consist of one long case. The candidate shall have 20 minutes for taking history and performing clinical examination with two examiners present. S/he shall then be allowed 5 minutes for organizing the answers and then 20 minutes to present his/her findings and discuss with the examiners the plan of management.
6. Candidates shall be notified via email whether they pass or fail this part of the examination. The College will provide a letter sent to the candidate's postal address.
7. Candidates who achieve a pass mark in each of the three sections but fail in one section will be required to re-sit that section only, but if unsuccessful in the next attempt, candidates must re-sit all four sections. Candidates who fail in two or more sections will be required to take the entire examination in their next attempt.
